

**My
Confirmation Commitment
To The Parish Community**

**I
as a candidate for the Reception of the Sacrament of
Confirmation present myself to our parish community.**

**I realize that this period of preparation for the
Reception of the Sacrament of Confirmation involves the
study of our Catholic faith in order to come to recognize in
a more mature way the presence of Christ in the Church
and in our lives. I am aware that this Recognition implies
accepting the faith responsibilities we have, not only for
ourselves, but for others. To accomplish this I will pray
for the Lord's Guidance, study the teachings of our Faith
and accept the commitment to serve our parish
community.**

**I, in turn, invite the prayerful support and example
of you as members of our parish community.**

Sincerely,
